

JCCME & Asharqia Chamber Co-hosted Business Opportunities Webinar 2024

December 18, 2024
JCCME

The Japan Cooperation Center for the Middle East (JCCME), in the collaboration with the Eastern Province Chamber of Commerce and Industry of Saudi Arabia (Asharqia Chamber), hosted this year’s Business Opportunity Webinar on December 11, 2024. The event attracted approximately 150 attendees from Asharqia Chamber’s member companies.

This annual webinar aims to expand business opportunities for both Asharqia Chamber’s member companies and Japanese companies that have established local offices in Saudi Arabia or are planning business development in the country.

During the webinar, five Japanese companies presented their initiatives aligned with the theme “Logistics” and “Environment”.

- SANKO Co., Ltd. : Manufacturing and Sales of Plastic Pallets, Containers, and Other Logistics Materials
- GOTO KAISOTEN Ltd. : Logistics Services Connecting Saudi Arabia with the World
- HAMADA Co., Ltd. : Environmental Solutions through the Manufacturing of Recycled Blocks Made from Waste Glass
- CHORI Co., Ltd. : Manufacturing and Sales of Sustainable Boards Made from Recycled Fibers
- MARUBENI Corporation : Solar Power Generation and Retailing by Zahra Energy, a JV between a Saudi Local Company and Marubeni
